# Letter From The Rex . . .

*Pi Lambda Phi  
Florida Delta Chapter  
University of Florida*

*Dear Reader:*

*With a great deal of pride, Florida Delta of Pi Lambda Phi publishes its tenth annual edition of the "Pearl". This fraternity yearbook is designed to recapture the school year's activities of friendship, good times, triumphs, and camaraderie - a year's worth of fraternalism.*

*The Pi Lam brother will recall the fraternity traditions and activities time recorded. The Alumnus will be proud of Florida Delta's continuing fine stature in scholarship, politics, and athletics.*

*To all, the "Pearl" has been a story of hard work, achievement, and honor. To us the men of Pi Lam the "Pearl" is a symbol of all those who've made, and continue to make this chapter great.*

*"All for one, one for all, that is our device." We are proud of our story and we hope the "Pearl" portrays adequately the cherished memories of those shown on its pages.*

# This Was The Year . . .

This has been a year of many moods. We have had victories and defeats, joy and sadness, serious times and carefree fun. Rush, the new pledges, water-basketball?, parties, homecoming, football (this was the year), the pledge game, more parties, finals, and finally our great New Years Eve party led us through the first trimester. Second trimester brought six new pledges, more parties, socials, the finals in bowling, the election in which the best man lost, beating the Grease in basketball, another scholarship trophy, parents' weekend, more parties, Blue Jew, and finally "Pearl". It's been a great year, a year in which we stopped looking back and began to look forward. This was Pi Lam's year.

## Fraternity Advisors . . .

Pi Lam was fortunate this year to obtain the services of two excellent advisors. Walter Rosenbaum, professor of political science, is our new faculty advisor. Bernard Datz, manager of Sears, is our new financial advisor. These two men have taken great interest in the functioning of the fraternity. Under Dr. Rosenbaum and Mr. Datz we have received, and can look to receive in the future, wise and knowledgeable guidance. Both men are Pi Lam brothers and are an integral part of the fraternity.

JIM MANDELL

Pi Lam again led the fraternity system in grade average this year, making the third consecutive time we have done so. In fact over the years Pi Lam has won the scholarship trophy more times than all the other houses combined.

Pi Lam as usual is well represented in various campus honoraries. Brothers Ed Abbott, Allen Jarrett, Mike Berke, Jim Mandel, Bob Lurie, and Ray Kaplan are all in Phi Eta Sigma freshman honorary. Charles Gusky is vice president of accounting honorary Beta Alpha Psi. Brother Jarrett is in the pre-med honor society as is Brother Ken Berdick. Brother Abbott is in the political science honorary and Brother Frank Bramson is our contribution to the agriculture school with his major in entemology.

In the past Pi Lams have fanned out over the country in outstanding graduate schools. Gary Brooks at Harvard Law, Fred Berger at Berkly, Jeff Klivans at Indiana, Jim Gordon at Yale Law, Joe Fleming at Virginia Law, and Ron Grassi at NYU are just a few of many. Miami Medical School, Emory Medical and Dental School, and Florida Law all have representatives of Pi Lam. Arnie Qwart, Phi Beta Kappa from last year, is now at Duke Medical School, and also Mat Bernstein is at Tennessee.

We have always had a tradition of helping the pledges adjust scholastically to the university. Again our pledges led all fraternity pledge classes in grade average. Mike Coverman, Barry Scurren, Evan Langbein, Schroder Sherman, Ted Leif, all had over 3 point averages. Brothers such as Alan Gold, Jim Hauser, Ken Berdick, Glenn Block, plus many others provide leadership to the pledges.

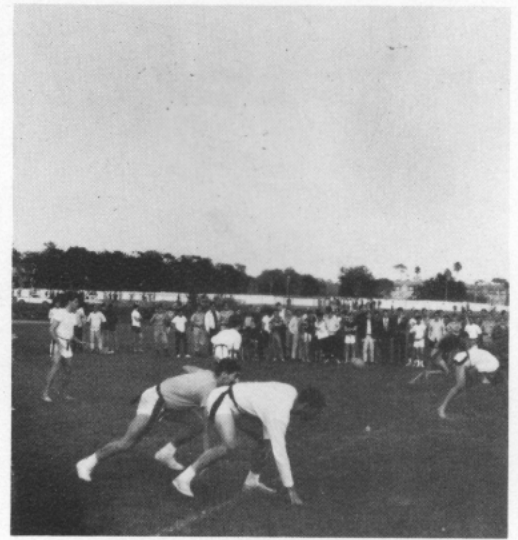

In all Pi Lam has an outstanding record of achievement in the academic area of fraternity life. With such outstanding new brothers and continued leadership by old brothers we can look forward again to see *our* scholarship trophy in our trophy case.

## in Intramurals . . .

MAROWITZ MAKES THE GRAB

AT THE SNAP

This year's athletic efforts may be divided into two sections corresponding to the two trimesters. In the first trimester a combination of hard luck and the scheduling of some of the house's weaker sports made for a comparatively poor showing by the purple and gold. The second trimester saw a reversal in the tides of fortune, however, as Pi Lam, led by her powerful bowling and basketball teams, stormed into the position of sixth place in the sixteen team Orange League as this issue went to press, and with some of her strongest sports yet to come.

The first sport of the year was water basketball. Pi Lam went down to a brave defeat at the hands of Delta Tau Delta, a strong five that eventually reached the semi-finals.

The next sport was football. The Pi Lam team, led by all-campus selections Rick Solloway and Leon Chira, defeated the ATO and SAE elevens by wide margins. The two narrow defeats suffered by the squad could easily be contributed to a controversial ruling that declared Brother Chira ineligible. It was a tough break for the purple and gold, whose squad intact had been called one of the best ever on campus.

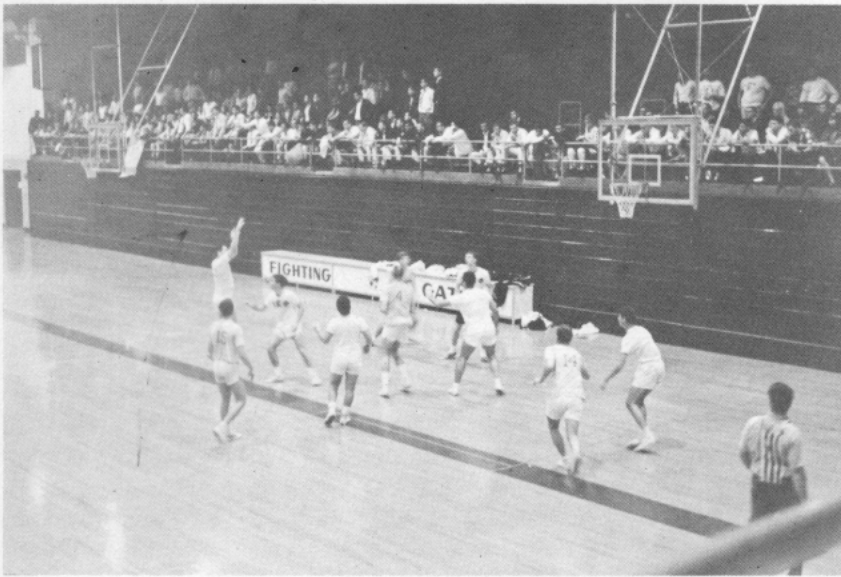

Volleyball followed, and after an easy victory over the KA's, the Pi Lam team was defeated twice, by perennial powers Phi Delt and SAE.

In track the house again received a disappointment, as past champion and Brother Alan Hirsch was unable to compete in his specialty, the high jump. However, Brother Sandy Sadja brought much glory to the house as he copped a first place medal in the 220-yard dash.

The first sport of the second trimester was bowling. In a genuine surprise, the Pi Lam five, sparked by all-campus selections Mike Segal and Richard Sherman, rolled over such worthy opponents as Sigma Chi, ATO, and Theta Chi, and smashed their way into the finals before bowing to a fine Phi Tau squad. This outstanding showing by the bowling team was a great lift in the hopes for an outstanding finish in the Orange League.

The string of high-quality squads was continued into basketball season, as Pi Lam's outstanding cagers, led by brothers Alan Hirsch and George Bant, have, at the time of this writing, reached the semi-finals, having disposed of the Teps, Betas, and Delts. Pi Lam's well-polished squad has been the talk of the campus, and stands a good chance of copping the championship.

With such perennially strong sports as handball and softball yet to come, Pi Lam once again seems assured of a high in the Orange League. Athletics can thus be seen as another strong point of Pi Lambda Phi fraternity.

## in Leadership . . .

FRED LANE

When activities are taking place — a Pi-Lam is there doing it. No matter what the activity; Student Government, Fraternity System, Orientation, R.O.T.C., and others, all have brothers and pledges of Pi Lambda Phi as creative leaders.

Heading the list of brothers on Campus is Fred Lane. Fred, the Action Party candidate for Student Body President, is the immediate past Treasurer of the Student Government. Past activities of Brother Lane include: Director of Orientation, Executive Director of Gator Growl, and Secretary of Student Affairs on the Student government cabinet.

A past chapter Rex, Fred has received an extensive list of honors. He was the Outstanding graduate in the school of Journalism, Outstanding student leader, President's Award, and the highest campus award being named the Outstanding Male Graduate in the graduating class of 1964.

Florida Blue Key Men's Leadership Fraternity, Hall of Fame, and Who's Who in American Colleges and Universities are each singularly distinguished honors. Brothers Fred Lane and Mike Colodny have been named to all three with Brother Lane appearing in Who's Who twice. Brother Ed Abbott has been recently tapped as a Blue Key Member.

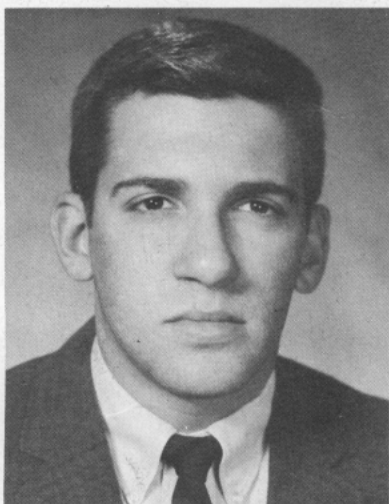

Brother Mike Colodny has been elected twice chapter Rex. The all-powerful force in Action Party, brother Colodny has served the House as Political Representative, campaign manager for presidential campaigns, election official, poop marshall, and steering committee head.

In the past, Mike has been 1963 Homecoming honored guest division Chairman, Associate Director of Orientation, Homecoming 1962 Personal and Clerical Division Head, as well as I.F.C. Committee Chairman. Brother Colodny was an honor Political Science undergraduate and is currently a law Student at Florida Law School.

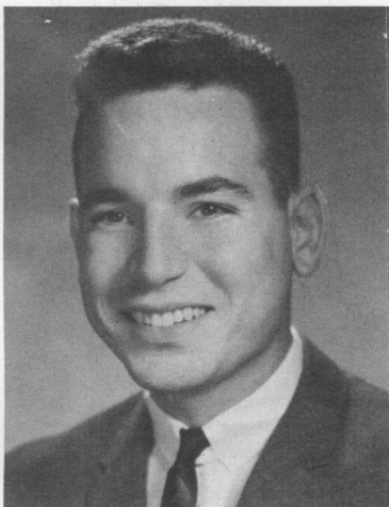

Honor Student Brother Ed Abbott has been I.F.C. Social Chairman, handling the best Frolic's show ever put together. A past Chairman of University-wide Dollars for Scholars Program, Ed has been a member of Florida Union Board of Managers, Technical Director of Orientation, Chairman of Gator Gras Parent's Day, and member of Phi Eta Sigma. As Assistant Chairman of Blue Key Speakers Bureau, and Activities and Finance Chairman of Blue Key smoker, Ed has helped to increase the prestige of the University.

Closely following the big three are brothers Jim Hauser, Mike Berke, Ron King and Sam Ullman. Hauser is a past member of Legislative Council, where he served as Chairman of Off-Campus housing and the powerful Budget and Finance Committee. Jim, the past I.F.C. Secretary, has been Skit Co-ordinator of Gator Growl, Assistant Technical Director of Orientation, and served as campaign manager for brother Lane's successful race for Student Body Treasurer.

This Spring Brother Hauser was elected the President of the Interfraternity Council and therefore is the Executive in charge of the entire Fraternity System on Campus.

MIKE COLODNEY

JIM HAUSER

Mike Berke is the current Associate Director of Orientation. Even with a 4.0 last trimester, brother Berke has been clerk of the Traffic Court, Chairman of Homecoming Alumni-Legislative Barbeque, and an active force in Action Party's Political Campaign.

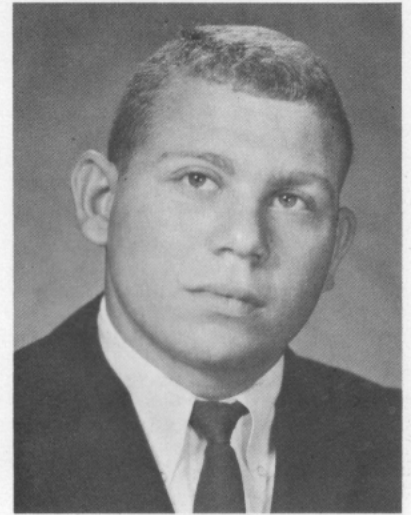

Number one cadet in his class, Ron King is the Division Commander of the Air Force R.O.T.C. Program. He is also President of the Arnold Air Society, Air Force Honorary and a member of Scabbard and Blade. Ron has also found time to serve in Orientation, Homecoming, and I.F.C.

Brother Sam Ullman, a candidate for the Student Board of Publications, has worked as an Alligator Staff writer, Homecoming Transportation chairman and is a Past President of Hume Hall Council. His efforts are supplemented by those of Brothers Sandy Sadja and Dan Davis. Sandy is a member of Arnold Air Society, Commander of Anger Flight, Chapter Vice President and also Chairman of the Pi-Lam National Convention. Brother Davis is the Past Vice-President of the Freshman Class, member of the Legislative Council and also works actively on Orientation.

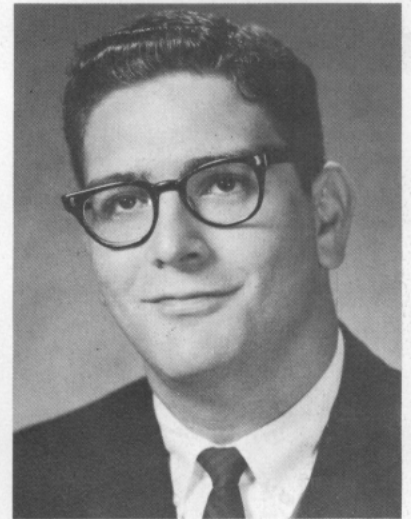

Other prominent Pi-Lam Campus Leaders include: Richard Cowen, President of Alpha Delta Sigma Advertising Honorary; Bob Lurie and Drew Greenfield, I.F.C. Committee members; and Jim Mandel, Orientation staff member.

A returning Pi-Lam law Student, Herb Schartz is a past Air Force Division Commander, who has finished five years in the Air Force. He has returned to the U. of F. to take an active part in Homecoming and the Honor Court.

To the future we find six outstanding members of the 1964 Pledge Class. Freshman Allan Paul was elected President of the Freshman Class; he is also a member of Freshman Council and was the first trimester pledge class President. David Brooks, second trimester pledge class President, served as pledge organizer for Action Party. Jon Rossman was banner chairman for Pledges, while Pete Winoker has worked on Tolbert Area Council and Homecoming. Freshman Marc Dunn and Paul Kamin were also elected to Freshman Council. This is a quick picture of Pi Lambda Phi's continuing record of outstanding campus leadership.

## Pledge Class . . .

PLEDGES THINK ABOUT GAME

A TYPICAL WORK PARTY

Pi Lams pledges have as usual lived up to the high standards of the fraternity. They have molded an outstanding record in their few months of pledging. In typical Pi Lam fashion the pledges were first scholastically among fraternity pledge classes. Also in Alan Paul the pledges had the president of the freshman class. Marc Dunn and Paul Kamin were also elected to Freshman Council.

The pledges went through much on their road to brotherhood. From the pledge up day onward a process of making them Pi Lams was going on.

The first and biggest step in this process was the tep pledge game. Under coaches Jerry Funari and Larry Silverberg the pledges worked hard and began to realize what the game means in relationship with Pi Lam. Finally the game was played and although the final score does not show a Pi Lam victory it is not indicative of what the game produced. There were individual stars—Levitan, Sherman, Mackson, Stern and others, but most of all the game produced a *Pi Lam pledge class*. The pledges now knew what fraternity meant and were in fact Pi Lams.

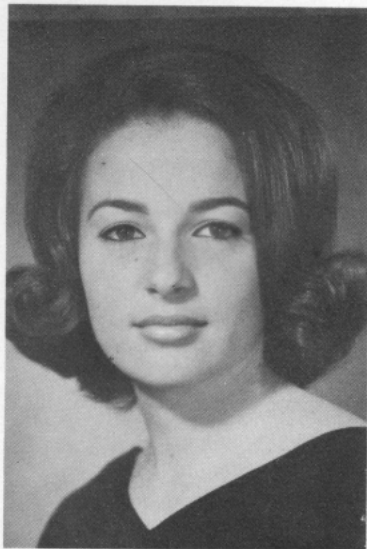

The parties, socials, the failure to take the house, the midnight rides of the cam-

paign, all these things the pledges did and did together. Under the leadership of Pledge-master Rick Solloway and officers Allan Paul and Cagney Brooks the pledges have every right to be proud of their record. These men keep the future of the fraternity in good hands.

# Word to Prospective Pledges

When the excitement of rush week has become a memory and you take stock of yourself, you will begin to wonder about the organization represented by the pledge pin which was placed on your lapel. One of the first questions you will endeavor to answer is, what is fraternity?

You will decide that parties, dances, and big chapter houses are not alone symbols of genuine fraternity. Even scholarship standing alone is inadequate. For fraternity is an inner spirit, at once both idealistic and practical. Its application requires ceaseless effort on the part of college men to enrich their way of life, and to develop a finer sense of values.

Your primary purpose in matriculation at your university is to obtain an education. It is expected therefore that you will devote the utmost of your endeavors to your studies. Florida Delta is proud of its excellent scholastic record, and it is required that all pledges emulate and uphold that record.

Next to scholarship, the fraternity is interested in the extra-curricular activities of its men. An education is not completed by the mere preparation and recitation of daily classroom assignments. Regardless of what ambitions, preferences, previous training, or abilities the individual may have, he can find or acquire a new interest that will develop his mind and muscle.

However, a basic function of this fraternity is the development and promotion of the social interests of its brothers and pledges, but a successful program can only be measured in terms of the active participation of those who are seeking its benefits.

We believe most sincerely that Florida Delta adheres to the outline of fraternity policy as stated by the National Interfraternity Conference, and in doing so we find that: the college fraternity has as its goal, in harmony with that of the college, to provide training and discipline of the individual who, in seeking an education, desires to make himself a useful member of society, possessing knowledge, trained skill, and capacity for accomplishment. The college fraternity, as a group organization, seeks to teach men how to live and work together, striving by precept and example for the personal development of the individual in the training of mind and body. It carries forward the fundamental purposes of education, adding a fraternal influence for correct living and individual development.

Fraternally,

Bob Lurie

### BROTHER MINE FOREVER

*Brother mine forever,  
We are bound together  
By a bond that stronger grows  
As the years roll by,  
Mystic words unspoken  
Holy vows unbroken  
Hold us faithful to the tie  
Of Pi Lambda Phi.*

*When the days are dreary,  
When the hearts grow weary  
Tho the dark clouds of despair  
May hide the sky.  
I shall ne'er be friendless  
For our love is endless,  
Even death can't break the tie  
Of Pi Lambda Phi.*

### HAIL ALL HAIL

*Hail all hail to Pi Lambda Phi  
A strong fraternity.  
We'll show our emotion  
With our love and devotion  
And our comraderee.  
  
So hail all hail  
To Pi Lambda Phi,  
With voices ringing clear.  
May she ever reign  
With her glorious name  
And we will always hold her dear.*

### PURPLE AND GOLD

*Hail to the Purple and the Gold.  
Long may her colors wave,  
The emblem of Pi Lambda Phi,  
A symbol of her brave.  
  
Mighty in loyalty are we,  
No other love so true.  
We stand with might,  
For all that's right.  
Hail, Pi Lambda Phi,  
Hail, Pi Lambda Phi,  
Hail, Pi Lambda Phi, to you.*

### JOLLY LADDIES

*For we are jolly laddies, jolly laddies we,  
And firm united is our comraderee.  
So let us all join in to make the welkin ring,  
While to Pi Lambda Phi we sing.*

*So let us join in folly chorus,  
While our youth is still before us.  
Let us ever joyous be.*

*Pi Lambda Phi inscribed in every loyal heart,  
Fraternal friendship till in death we all do part.  
So let us all join in to make the welkin ring,  
While to Pi Lambda Phi we sing.*

**Pi Lambda Phi is more than just a  
Fraternity . . . it is a way of Life.**

**THE CREED OF PI LAMBDA PHI FRATERNITY**

*“That all men are created free and equal.*

*That no society of men can flourish unless members of that society are  
endowed with the opportunities and privileges of freedom.*

*That freedom implies the elimination of prejudice – that the elimination  
of prejudice means a better understanding twixt men.*

*That it is incumbent upon me to fight for such freedom even with my life.*

*That it is incumbent upon me in my personal life to be devoted to the  
highest standards of honesty and justice.*

*That because my country is dedicated to the highest standards of freedom  
and justice for all men of all creeds, I hereby pledge allegiance to my  
country, and to its national symbol.”*
